

Eva Patel

Biographical Synopsis

Eva Patel is the founder and CEO of Skin Rx and Skin Rejuvenation Clinic, Inc., a leading visionary in medical aesthetic skin care, national and international speaker, and a highly respected educator on skin care technology. Eva has studied Eastern Philosophy extensively and has the vision to bring this wisdom and knowledge to USA through Spas.

In recent years Eva has dedicated her time to philanthropy efforts in working to assist with global life saving projects.

Education

1982-1984 Charing Cross Hospital Medical School, London, England, Surgical Assistant

1984-1985 University of California San Francisco Internship

1985-1993 Worked in over a 100 different hospitals and medical facilities throughout the country, with a focus on cosmetic surgery, which led to advanced knowledge in chemexfoliation. Recognizing the need for medical aesthetics, Eva founded Skin Rejuvenation Clinic, Inc. and Skin Rx Inc.,

Companies

1993 Founded Skin Rejuvenation Clinic Inc., An exclusive and unique Medical Esthetic Clinic in Union Square, San Francisco that provides ultimate customer satisfaction through excellent service and a personalized touch. The clinic specializes in individualized corrective and preventative programs for common skin disorders.

1995 Founded Skin Rx Inc. Skin Rx is a full line of cosmeceutical products which emphasizes on Aging, Acne and Pigmentary disorders. The treatments and products offer corrective and preventative programs for the professionals in the industry with compatibility for the broad spectrum of skin tones. With over 11 years of experience the focus is on education and meeting the needs of the diverse global consumer. Developed industries first skin classification system (EP Scale) that takes in to consideration ancestral origins.

2001 Co-Founded A&E Resorts

A&E Resorts is actively developing a Spa & Resort in Southern California. Providing a holistic approach to nurturing from within and healing at all levels. With a blend of East and West in a luxury four star Resort this company was co founded with Arvin Patel, a leading Hotel developer. The focus of this company is to create an Ayurvedic Institute; making it the first of it's kind offering Eastern philosophies and medicine a wellness center.

2006 Global SALT (Save A Life Today) Foundation

A non-profit organization set up as a California 501 (C) 3 to manage funds for the distribution and implementation of life saving treatments, solutions and food nutrition for global health. Eva Patel is overseeing the fund raising for the foundation and for all training and education programs.
